

Name: _____

Medicinal Chemistry Degree Requirements

A check mark in the box to the left of the requirement indicates that it has been fulfilled.

BS Degree:

Comments

General Chemistry	101-102 or 105-106
Organic Chemistry	201-202 or 251-252
Evolutionary & Cell Biology	BIO 200-201
Physics (calculus based)	PHY 107-108-158
Calculus	MTH 141-142
Physical Chemistry for Life Sciences	349
-or-	
Physical Chemistry Lecture	319
Intermediate Organic Lab	301
Undergraduate Research	MCH408 _____ (min 4 credits)
Molecular Structure & Reaction Mechanisms	MCH401
Introduction to Biochemistry	CHE412 (or BCH403)
Advanced Organic Chemistry	455
Mechanisms of Drug Action	MCH403

Fifteen Credits of Science Electives (chosen from list or with permission of undergraduate advisor):

- | | |
|----------|----------|
| 1. _____ | 4. _____ |
| 2. _____ | 5. _____ |
| 3. _____ | 6. _____ |

General Education Requirements _____ Complete _____ Incomplete

Hours _____
